🚀 A Successful Campus Drive at SIG!

We are delighted to share that the **DoorDash Campus Recruitment Drive** at **Symbiosis Institute of Geoinformatics (SIG)**, held from **17th to 20th August 2026**, concluded on a highly successful note!

We are proud to share that **10 talented students from the 2025–27 batch have been shortlisted by DoorDash** for exciting career opportunities. 🎉

A heartfelt **thank you to the DoorDash team — Masud Karim and Siddharth Mitra —** for choosing SIG as a campus recruitment partner and for placing your trust in our students and their capabilities.

Your time, engagement, and interactions with our students made the recruitment process a valuable industry exposure for them. We truly appreciate the professionalism and support extended throughout the drive.

We look forward to strengthening this association and building a **long-term industry–academia collaboration with DoorDash**, creating many more opportunities for our students in the years ahead.

A big congratulations to all **10 selected students**! 🖐 Your achievement reflects your preparation, perseverance, and hard work.

Here’s to more collaborations, more opportunities, and many more success stories together! 🌟
